In response to FEC letter dated 10/22/04 re: September Monthly Report (8/1/04 - 8/31/04)

Please note that a data entry error in the beginning cash on hand and year to date contributions resulted in incorrect totals. The problem was corrected in the amended report filed 10/19/04.

Regarding the DCN/DC Navigators disbursement for "General non FEA advice", the description was amended in the 10/19/04 report to explain that it was for polioitcal advice (political consulting) and was properly reported on line 21.
